The office was clean, professional, and Cindy did a wonderful job. She was very attentive and concerned that I was comfortable the whole time. 7/31/2021	KARA G	5	Deliriously relaxed.	Being 34 weeks pregnant with twins has wreaked havoc on me, so I went in for a 90-min maternity massage! I'm not good laying on my back at all (at any inclination), so Cindy was able to do the entire thing while I laid on my sides. By the last 20 minutes, I couldn't keep myself from dozing off no matter how hard I tried. I haven't felt that comfortable and relaxed in MONTHS. By the time I got to my car, I wondered if I should even be driving- I was deliriously relaxed! ;) Cindy is wonderful.

She is very professional but at the same time so sweet and friendly. :D I may only be there for an hour, but I feel like I've had a mini vacation when I leave her office. Thank you Cindy!!

6/26/2020	D.H.	5	Repeat Customer--very happy	<p>Cindy has been my massage therapist for many years and is always able to work out the kinks in my trouble spots, as well as give a very relaxing massage overage. 60 minutes goes by way too fast. Last year I had gone to a neurologist and 8 sessions of physical therapy to get rid of "buzzing" feet. Cindy noticed a knot in my arch that the physical therapist had not noticed, and she worked on it. A day later, the buzzing was completely gone and has never returned. Very professional and sweet.</p> <p>Cindy has been my ONLY go-to for massages and facials ever since I found her five years ago. She really evaluates what my skin needs, despite what I think it needs, and guides me with good proactive steps to keep my skin at it's best. She also knows where "that" spot between my shoulder blades hides - and she always gets it worked out of my muscle. I honestly can't say enough great adjectives about her!</p>

She always makes sure I have everything I need, pillows, heat, ice....anything. An hour is great no doubt but if you're a chronic pain sufferer like myself 90 minutes will take you to a higher level of healing!!</p>

4/15/2016	Stacy H	5	A+++++	I cannot recommend Renew Medi Spa to enough people! As an aesthetician, she is superb at knowing exactly what the skin need - with NO pressure to sell the products she carries. And her massages? Simply heaven! I can't say enough about Cindy and her expertise. I have been to Cindy over the past 6 months for Microdermabrasion, Chemical Peel and most recently the NEW-lon active Power Skincare Treatment. I have seen results from each experience. I can't wait to schedule my next visit!

2/16/2015	C.P.	5	Exactly what I need every time	I really look forward to getting a facial by Cindy Taylor. She asks just a few questions first and gets to work! She is so professional and can explain any questions you might have. Her gentle way makes you feel pampered yet her massaging is strong and relaxing. I used to consider a facial a treat but as I get older my skin NEEDS her regular treatments to keep it smooth. Highly recommend.
2/14/2015	Pam C	5	FACIALS REALLY HELP MY AGING COMPLEXION	I receive compliments on my skin even though I am 64 and had acne for years. I had to skip a month due to vacation. It is certainly very obvious that I did miss one. I was so glad to receive a facial yesterday and felt much better!

1/29/2015	kelley B	5	The best	
1/26/2015	E.H.	4	relaxing prenatal massage	I saw Cindy for a 60 minute prenatal massage. It was a wonderful experience, very enjoyable and relaxing. I was very comfortable throughout our time. I would love to go back when I could have a deeper massage and get even more therapeutic benefit. Only downside is that it is in an office building, so no lingering in robes while sipping refreshments. So if you're looking for a pampering spa day, this may not be for you. Just straightforward, professional massage therapy.
1/23/2015	Jo Latta	5	Treat Yourself!	I scheduled a massage/facial package as a treat to myself and cannot say enough about how wonderful my experience was. Cindy took all precautions necessary in todays environment to be safe and make me feel protected. From the heated table to the essential oils and wonderful massage, I felt more relaxed than I had in a long time. The facial was amazing and my skin felt so rejuvenated. Don't hesitate for a moment to visit Renew Spa and enjoy the pampering! I see Cindy almost every month. It seems as if she has a new type of facial to offer me and it's on special. I had a photo facial 3 weeks prior to my visit. Her facial emphasized what had been done to my face earlier. It got rid of all dead tissue. The massage was so relaxing I had to quit talking. After that was finished I thought she still had her hands on my face. I opened my eyes and she didn't. Best facial massage ever!
1/22/2015	P.C.	5	Awesome Choices	I spent the most amazing 2 hours having a 90 minute massage, with a foot massage added on!! Cindy has the most welcoming surroundings and is very careful....having everything safe and perfect for her clients!!

1/17/2015	C.F.	5	Very pleased	

1/16/2015	Deneise McGillen	5	Renew Medi Spa	I took my teenage daughter in for the first time to get a facial. Cindy let me sit in the room with them (per my daughters request). Cindy was very good at explaining why each step she did was very important. My daughter loved the experience and I can't wait to go have mine done with Cindy!
1/10/2015	K.C.	5	Ionactive Power Treatment	I tried the Ionactive Power Treatment and it was AWESOME!! It was definitely a well needed treat for me. What I enjoy most is Cindy tells you step by step what she is doing and what it helps with. Keeping you informed for us not so much skin experts. It is truly a fabulous and relaxing experience.
1/9/2015	R.H.	5	Relaxing experience	I visited Cindy for a massage recently and it was great! I always prefer to have a quiet, peaceful massage rather than chatting throughout the whole thing, and Cindy seemed willing to talk as much or as little as you want. The office was very clean and calming as well. I had a great experience there.
1/8/2015	K.W.	5	wonderful	I was a little in easy about going in. My husband got me a gift card for our anniversary. Me being home grown county girls from the sticks, I wasn't to sure. But as soon as I walked in I felt welcome. She explained everything to me before she started and also while she was doing it. It was a great first time experience.

1/3/2015	Kelly H	5	Awesome facial/ microdermabrasion	I went for a facial and microdermabrasion. The experience was awesome. My skin feels amazing. Cindy was very kind and she explained everything she was doing so I could relax. (I get nervous when people touch me and I have zero pain tolerance). The extractions were gentle. She tailored the facial to my specific needs. I have very sensitive skin and my skin hasn't felt this good in years. I will definitely be back.
12/30/2014	Sue D	5	Customer Oriented	I went for my 1st massage with Cindy & one of the things I appreciated was her intent to provide a customized massage based on my specific needs. I thought Cindy was excellent.
12/20/2014	Michelle S	5	Feel so much better!	I went in with neck/shoulder pain. Cindy was able to loosen up my many knots. I love how she customizes your massage for your specific needs.
12/15/2014	Jennifer D	5	Amazing!	I went to the Renew Medi Spa for a massage with Cindy. Her technique was flawless. I had a lot of tension in my back and neck so Cindy used deep tissue massage to work out the knots. It was not painful compared to deep tissue massages I've had in the past. Her massage was effective and very relaxing and prices were very reasonable. I will definitely be returning!
12/4/2014	Nancy	5	MASSAGE	I will continue to see Cindy for my massages. She is caring, and listens if you have any problem areas or concerns. Highly recommend her.

11/18/2014	C.R.	5	Facial	I would highly recommend going to see Cindy. I have always been more than satisfied with everything she has done for me from facials to massages. I've been going to Cindy for several years and have had microdermabrasions, facials and eyebrow waxing. She's always a professional and I'm ALWAYS pleased with the results.
11/16/2014	T.B.	5	Eyebrow wax	
11/15/2014	Kayla Stone	5	Amazing	I've had two prenatal massages here and will never go anywhere else! Always such a great experience!!! Left feeling so relaxed and pampered! I'd never had a Vibradermabrasion treatment, and I was so impressed by the entire experience. It was so relaxing, and Cindy did such a great job - I definitely recommend! if you have sore tight muscles or are stressed...massage from Cindy will make a huge impact. Cindy is professional and personalizes to ensure your problems are addressed. Been going there for 3 years...
11/12/2014	Roberta C	5	Very impressed!	
11/8/2014	al christianson	5	Amazing Massage	If you like all things pumpkin you need to add this to your fall list. Wonderful smelling serums and Cindy, as usual, works her magic with a facial massage. Wonderful experience! I'm a chiropractor so I appreciate a great set of hands & Cindy's massage left me feeling like a puddle of melted butter. You can't go wrong scheduling a massage with Cindy at Renew Medi Spa.
11/6/2014	K.B.	5	Autumn Facial	
11/3/2014	Nancy D	5	Melted butter	
11/2/2014	Karen G	5	My First Massage	I'm an elderly woman with arthritis, neck ache, and back spasms. My daughter took me to Cindy for a massage. She is very knowledgeable and thoughtful. She concentrated on my problem areas and was very thorough. She is sweet and quiet. Her goal was to start the healing process, and I am feeling better. I am recommending her to all my friends. I'm running out of nice things to say:-)) My massage was great as always! It was very therapeutic and calming considering how much I was aching badly.
10/24/2014	Lawson	5	Awesome Massage	
10/23/2014	S.L.	5	massage by Cindy	In one word, PERFECTION! From the minute I walked into the office everything was wonderful and that lasted throughout the entire time I was there. It had been over a year since my last facial so my skin really needed a good exfoliation and hydration. Cindy gave me some different options and let me make the decision on which facial I preferred. The salon atmosphere was very soothing. Will definitely go again! It couldn't be better. Cindy is a professional for sure! I will definitely do this regularly. My face feels and looks so much better than I thought it could. I bought two products and will get more next time. It is always a treat to see Cindy. She is the best and I wouldn't dream of going anywhere else for a facial or massage.
10/19/2014	D.M.	5	Wonderful facial!

10/2/2014	Pamela Bennett	5	Mini Teen Facial	It's been nine years and the care and service is still simply the best! A great esthetician knows how to care for ALL skin types; Cindy is that person. Wouldn't go anywhere else... P.S. Also, best massage EVER!!
9/27/2014	L.L.	5	Simply The Best	It's such a pleasure to visit Cindy for a great massage or an awesome facial. When you find an esthetician that is not intimidated by any skin type, you have found a great one. I did with Cindy! And, her massages are simply the best! She leaves no knot unturned! Beware, her massages seems to make me fall asleep and snore?! No, I don't usually snore:-))
9/26/2014	L.L.	5	Still The Best in McKinney	I've been a client of Cindy's for a few years now and occasionally I have been invited to some very high end day spas with girlfriends. Each time, I wish I had just went to Cindy instead because Cindy not only provides me with the very best massage and facials, but her prices are far more realistic and affordable. Cindy "listens" to what I want and need and provides me with a completely customized experience each time. I LOVE that! Some of the little things Cindy does makes all the difference!
9/17/2014	Selena Schmidt	5	Tranquil, Serene Environment, Highly Experienced	I've been getting facials and massages for quite some time with Cindy. I'm always very satisfied and pleased with her services...absolutely awesome. I've been really busy and stressed at work and she was able to give me the best massage and I left feeling so much better. Thank you I've been to numerous spas all over North Texas.

8/28/2014	Alvaro T	5	A very dedicated service	I've been to other places where unfortunately the staff seemed to be still under training, or I didn't feel any different after the session was over. That is not the case here. Cindy is a professional that provides a service with a level of quality you don't see very often now a days. Very recommended.

I have changed from a 60-minute massage to 90 minutes because it feels so good. I almost fell asleep while she was doing my feet and hands. I also appreciated that she took all precautions to keep me safe during the pandemic, wearing a mask, face shield, AND plastic gloves. She also allowed me to sanitize my hands upon entering the facility. I highly recommend!!!
7/20/2014	DeLayne H	5	The best massage!	I've used Cindy for years. She gives the most relaxing massages while still working out the kinks in my neck and shoulder area. I've referred to my friends and am taking my mother next week. I highly recommend her!

She was not too rough and still got the knots out. For the first time I did not get all the uncomfortable pressure in my head by the time the hour was over. She said her face rest was probably the reason. Loved the minty scent of the oil and it did not bother my sensitive facial skin. She was very nice and knowledgeable. I was comfortable and enjoy my facial very much. The massage was nice as well. She was very nice and worked on my back that was needing it the most. I loved the head and feet massage, very relaxing!

4/26/2012	Erik Balodis	1	Very nice but not as good as other places such as Massage Envoy	was not a fan of draping massage. Did not so much for my back or neck. Was sore as I was when I left. Nice woman and she was kind and friendly but just didn't have the strength to get deep enough and I will never go back due. To the id draping technique with a sheet and a blanket. You can't get the results with a silly draping. Not worth the money paid. Not recommended.
4/16/2012	M.C.	5	Awesome Experience; definitely going back	Was referred by a friend. I am 38 weeks prego and needed a good back rub. Spa was very inviting and clean; met with Cindy. She was very descriptive of what would be done, especially, being my first prenatal massage. The set up was comfortable and she worked magic on my back, being attentive to my needs and knowing exactly what to do; focused on one side of back that hurt the most. Overall, GREAT experience; made another appt for the following week; will definitely return and refer friends too.

It was just what I needed to relieve my aches, pains and tension from a very stressful weekend. I could not believe how much better I felt mentally and physically after I left. I definitely plan to return.

12/11/2011 al c	5 Body ReCharged	Yesterday had a body recharging 90 min body massage from Cindy. Wow. Feeling great ready for the week. Highly recommend Cindy as she'll do a great job.
12/4/2011 Stacey S	5 Cindy is amazing! She knows massage therapy very well!	You won't be disappointed! Cindy is intuitive in her massage therapy. I struggle with chronic pain in my shoulders and neck due to bulging cervical discs. I don't use pain meds so I get massages frequently. I've seen a lot of massage therapists in the past 2 years. When she was done with the massage, I was out of pain and I felt really relaxed, too. I didn't have any pain or soreness the next day. Cindy knows how to relieve pain and I'll be going back to see her again. I highly recommend her!
